HURLED AGAINST TRAIN

Washington Express Wrecked by Derailed Box Car.

SCORE OF PASSENGERS INJURED

Four Day Coaches Damaged and Many of Their Occupants Hurt, but Pullman Cars Containing Washington and Baltimore Passengers Escaped Injury-The Victims Mostly Residents of Chester-Two of the Number in a Critical Condition.

Philadelphia, Pa., Dec. &-Twenty per cons were injured to-day in an accident on the Philadelphia, Wilmington and Baltimore Railroad at Gray's Ferry station, in West Philadelphia. An empty box car umped the track and damaged several of the passenger coaches on the express which leaves Washington at 11 a. and is in a critical condition, and Miss Ella Little, also of Chester, was dangerously injured.

The express train was made up of three Pullman cars, a dining car, and six day coaches. The latter were filled with residents of Chester. Pa., and most of the spousible for the accident escaped injury injured were of their number. Following is the list of injured:

Casualty List of Twenty. Richard Barnes, brakeman of express, fing

Mrs. G. W. Blackwell, St. Louis, leg fractured. Miss H. B. Bower, Wilmington, seriously hurt. Miss Margaret Burke, Uplands, Pa., cut about face and body. Henry Matthews, Philadelphia, internal injuries.

Miss Emma Dougherty, Chester, both legs broker Miss Louisa Culin, Philadelphia, scalp wounds. Anna Dougherty, Chester, scalp wounds. Graham Glass, Baltimore, leg fractured. F. L. Holloway, Hotel St. Denis, New York,

Jackson, Wilmington, serious, Ella Little, Chester, probably fatally hurt.
Miss Aimee McDaniels, Uplands, Pa., face and

J. Mahaney, Chester, slight. Mrs. K. M. A. Maloney, Chester, seriously in

Mrs. Mary Mitchell, Colawin, Pa., general lacer W. M. C. Papp, Wilmington, general laceration Clarence Pullen, New York, badly bruised.

Kate Raefield, Chester, head lacerated.

Mabel Smith, Wilmington, head and body cut

Many Others Cut by Glass. About thirty others were slightly injur ed by broken glass, but were not taken to the hospitals.

The Pullman cars contained Washington and Baltimore passengers almost exclu-Gray's Ferry Station an empty box car, which was being shifted, left the rails and sively. As the express approached the Gray's Ferry Station an empty box car, which was being shifted, left the rails and fell against the passenger train. The part of the fell against the passenger train. The part of the act was at that time performed successfully coaches was almost wrecked, while three others were badly damaged. A new train was made up, and after the injured large crowd assembled to witness the varian was made up, and after the injured. train was made up, and after the injured ceeded to its destination.

New York, Dec. 8 .- F. L. Halloway, who, the dispatches say, was injured in the railroad wreck at West Philadelphia to-day, lived at the St. Denis Hotel, in this city. At the hotel it was said he was the New York representative of a Rochester per-

linwaii's Congressman En Route. San Francisco, Dec. 8 .- Robert W. Wilcox, Hawaii's delegate-elect to Congress, arrived here to-day on the steamer Rio de Janeiro, en route to Washington.

DRUNKEN MAN CAUSES WRECK.

ne Passenger Killed and a Dezen Injured in Collision at Crossing.

Pittsburg, Pa., Dec. 8.-The Cumberland dation for Pittsburg on the Bal timore and Ohio road to-night crashed into a United Traction car filled with peo-

er's arms with the mother's body across hem. The injured are:

nio Long, of Rankin. Patrick Gavigan, conductor.

Mrs. W. I. Marshall and two small children. Harry McCimm Mrs. King and baby. James Ridge.

Antonio Colletta, of Rankin,

vere taken into houses-near by and cared or. Their injuries are not known. When the traction car reached the Bal-imore and Ohio crossing at Rankin, Conuctor Gavigan went forward to see if the crossing was clear. He drunken man lying on the tracks of both traction and railroad. When aroused, the drunken man showed fight, and Gavigan had to drag him from the tracks. When m. for New York. Miss Emma Dough- he had him clear of the track, the signal erry, of Chester, had both legs broken. was given the motorman to go ahead. In and is in a critical condition, and Miss the excitement the approach of the raiload train was unnoticed, and in spite of the efforts of Engineer Osbin, who reversed and put on the air, his engine struck the rear of the street car, hurling

BICYCLE ACT FATAL TO RIDER

Missed Tank in His Headlong Plunge and Was Picked Up Lifeless.

Joseph D. Stark Instantly Killed at at Amateur Circus Performance Given for the Benefit of the Twentysecond Regiment.

New York, Dec. 8 .- Joseph D. Stark, wenty-five years old, met a tragic death his afternoon in the Twenty-second Regi-

ent armory Stark, with a number of others, was par-icipating in an amateur circus being conacted for the benefit of the regiment. Stark's act was to ride a bicycle up an in ciine 200 feet long and 35 feet high at its eng, and then, dropping the bicycle into a et, jump into a tank of water thirty-five feet away. The tank was filled with cop per inset stx feet deep, and in which the

train was made up, and after the injured had received attention the express pro-ceeded to its destination. Stark mounted his bicycle and pedaled it rapidly up the incline. Just before reaching the end of the incline at the proper place he jumped from the seat and then umped toward the tank, the bicycle in the eantime falling into the net. Instead of alling directly into the center of the tank fumery company, and it is believed is a member of the firm.

Stark struck the further edge of it head first, and then fell into the tank, apparently lifeless. Members of the regiment jumped in and quickly had Stark out of the water, but death had already taken lace. His head had been crushed in. A. A. Duchenim, manager of the sports was arrested on the technical charge of homicide, and later paroled. He said that when Stark appeared at the armory in the afternoon he appeared to be very nervous, and spoke of it.

FIRED BEFORE HE COULD BE DISARMED. Astor Battery Veteran Kills Himself De-

New York, Dec. 8.-Philip S. Sondheim, twenty-four years old, a law student and

property here, claiming that Campbell twenty-four years old, a law student and had deeded it to him. He claimed that Campbell had gone south to live and sent him the deeds, which prove to be forger-tery, serving in Manila, and who lived at es, by mail.

The suspicions of the neighbors were aroused by Aplin's disposing of the prop- avenue and Forty-first street, dying alerty and an investigation was started, most instantly. At the time of the which resulted in the finding of the body shooting the avenue and adjacent streets

Two detectives had been informed that says his son killed Campbell with Sondheim was going to or had committed suicide and went to the man's room at The father and son then packed the body the hotel. He came out with a revolved in quicklime and buried it where it was found. Both Apilns are now under ar- to the street and along it. Sondhelm to the street and along it. Sondheim threatened to kill them if they touched him. They followed him still farther and then pounced upon him, but he was oo quick for them, and before they could overpower him Sondheim sent a bullet into his brain.

It is believed that Sendheim was insane Belgian King is in port after a voyage of He came originally from Buffalo. It is fifty-five days from Manila, made memor-able by disaster and narrow escapes from erable money to be divided among four

TRAGIC DEATH IN HOME OF LUXURY.

Prominent Brooklyn Business Man Ends His Career with a Bullet.

New York, Dec. 8 .- Seated in a chair in the study of his luxurious home, Uriah C Burnap, one of Brooklyn's foremost citifriend of the late William L. Strong, was head. At his side lay a revolver. Melan-The fire gained such headway that cholla, aggravated by worry over the time the staterooms were too hot condition of a sick daughter, is believed condition of a sick daughter, is believed to have led Mr. Burnap to take his life. Among her passengers were Lieuts. Cabanni and Parker, Dr. Robert Calturan, Mrs. Calturan, and six children. The latter were Pekin refugees, and boarded the vessel at Nagasaki.

to have led Mr. Burnap to take his life. He had been in low spirits for weeks, and the death of Mr. Strong was, it is said, a blow which he felt keenly.

Mr. Burnap was a member of the wholesale dry goods firm of Faulkner, Page &

Co., New York City. He was sixty-six years old, and until recently had been very active.

Debts on Option Deals Non-collectible. De Moines, Iowa, Dec. &-The Federal ort in a jury trial to-day ruled that ebts on "option deals" on the Chicago Board of Trade are gambling debts and non-collectible. As a result, Rumsey, Lightner & Co., of Chicago, lost \$4,000 to bert K. Eby, of Adair, Iowa, the jury holding out that amount in its judgment

\$300,000 FIRE AT CANTON.

Destruction of the Saxton Block-Owner by a Sister of Mrs. McKinley. Canton, Ohlo, Dec. 8.-The Saxton Block

owned by Mrs. M. C. Barber, sister of President McKinley's wife, was destroyed ple at Rankin. One man was killed out-right, his wife so badly hurt that she can hardly recover, his baby was seriously in-jured, and a score of other passengers with the insurance at about one-third of were badly hurt.

The dead man is unknown and his wife at a late hour to-night is still unconscious. The babe was found clasped in the father's arms with the mother's hold. The Grand Opera House, adjoining the Saxton Block, was threatened by the fire, but a sudden change of the wind saved

the structure. A panic was averted in the Opera House by a stage announcement, and the building was cleared in three min-utes without injury to any member of the

For an hour it looked as if nothing could save the buildings adjacent to the Saxton Block. A high wind caused the structure to burn like tinder Large embers were carried six blocks distance, but fortunate Some ten or twelve other passengers iy fell on slate roofs and did no damage.

Hard work on the part of the entire ity fire department confined the flames to one block.

BOY TORTURED BY DRUNKEN MEN. Branded with a Poker and Burned on

Red Hot Stove.

Sullivan, Ind., Dec. 2. -At Currysville, a mining town seven miles north of here, a tramp colored boy was the victim of savage torture at the hands of a party of drunken miners last night. The boy was picked up off the street

by Sheriff Dudley and kept over night in the jail here, and the following morning was sent out of town. He endeavored to steal a ride to Terre Haute, but was put off the train at Shelburn, one mile south of Currysville. He walked to the latter place, where he was taken in charge by drunken miners. He was given several mock trials, prior to which he was branded with a red-hot poker on his head, face, and all parts of his body. He was sentenced to be burned in a red-hot stove, and in his struggles burned his hands almost to a crisp. Other modes of torture were suggested, one that he be thrown down the coal shaft, another that he be

HOYT'S COUSINS TO CONTEST WILL.

ABUSE OF TRUST FUNDS

TAX OFFICIALS SHARE THE GUILT

Directors Who Do Not Do Their Duty Morally Responsible to Those Who Suffer by Defaulters' Stealing-Men Who Live in Luxury on Plunder and Do Not Suffer for It-Warning Against Speculation on Borrowed Funds-Need Religion in Susiness

A scorching arraignment of those who, A scorching arraignment of those wao, are the great arteries through which run the surgest of the sermon of Dr. Talmaze the currents of the nation's life. They characterized the sermon of Dr. Talmage or yesterday. He finds little to cho rom a moral standpoint between the employe who steals the funds of trust insti-tutions and the directors whose criminal negligence makes such peculations pos-sible. In the enormods number of such cases which have recently been reported be finds his lesson, and warns all against borrowing to speculate. He particularly ploye who steals the funds of trust insti-utions and the directors whose criminal rrowing to speculate. He particularly declaims against those who use their nection with church or state to envelgle the inexperienced into investing their savings in wild schemes. Dr. Talmage took for his text, Job, viii:14: "Whose trust shall be a spider's web," and said:

"The two most skillful architects in all

the world are the bee and the spider. The ventures on it, and is caught and dungeoned and destroyed! The fly was in-formed that it was a free bridge, and ulating with other people's money, an Sober heads saved the boy from further punishment, and Sheriff Dudley was notified by telephone to come and bring the boy back to this place. The proprietor of the saloon where the deed was committed that it was a free bringe, and how many more bank directors are in important the saloon where the deed was committed goes the web and the marauding day was at least 5,000 years off, found it was not responsible, being absent in Illinois.

goes the web and the initial markets and the spider and the victimized fly. So delicate in 1899, or 1897; and this nation has are the silken threads of the spider's web been taught that men must keep their been taught that men must keep their ingenious is the spider. A prisoner in the prosperity than this land has ever seen, Bastille, France, had one so trained that if, and if, and if.

men having the financial interests of others in charge has been more evident than in these last few years, and hardly is the word borrow; that one word is responsible for all the defalcations and emyou open your newspaper without being surprised at some new fraud on a big of the last twenty years. When executors conclude to speculate with the funds of scale. Men on a salary of \$3,000 a year spending \$20,000 or \$50,000. Now it is a broker, and now it is a clerk, and now or an orphan asylum. The bankruptcy of banks and disappearance of administrators with the funds of large estates, and the disordered accounts of United States officials, have sometimes made a pestilence of crime that solemnizes every thoughtful man and woman, and leads few York, at the request of President every philanthropist and Christian to ask, enjamin Ide Wheeler, has promised the What shall be done to stay the plague? University of California to defray the expenses, about \$24,000, of a two years' astronomical expedition from the Lick Observatory to South America or Australia. The object of the expedition is to study the movement of stars in the line study the movement of stars in the line and officers of the court, and appoint the widows and orphans a committee to see

Already this work has been done at the that the former got all that did not belong to them. Plunder Pays for Luxury. "The simple fact is that there are a large number of men sailing yachts, and driving fast horses, and members of expensive clubhouses, and controlling country-seats who are not worth a dol-

track while they practice a large swindle. Dured with the long line of breakers which own private account at the bank separate the something woefully wrong in bound the ocean of commercial life north, from your account as trustee of an estate There is something weeffully wrong in bound the description of the fact that these things are possible.

"First of all, I charge the blame on of their despair and the dirge of their point at which thousands of people make correless, indifferent bank directors and damnation. The breakers of borrow. careless, indifferent bank directors and damnation. The breakers of borrow. toards having in charge great financial for a president or cashier or prominent officer of a banking institution to swindie of per cent. of those who go into wild which they berrowed. Then comes the explosion, and the money market it. officer of a banking institution to swindle it year after year without detection. I will undertake to say that if these frauds are carried on for two or three years without detection, either the directors are partners in the infamy and pocket part of the theft, or they are gullty of a culpable neglect of duty, for which God will hold them as responsible as he holds the acknowledged defrauders. What right have prominent business men to allow their names to be published as directors in a financial institution, so that unsophisticated accepts are the results of the second financial institution, so that unsophisticated people are thereby induced to deduced to denot mean to spend any time chasing posit their money in, or buy the scrip thereof, when they, the published directors, are doing nothing for the safety of tors, are doing nothing for the safety of the safe

who have misappropriated trust funds the institution? It is a case of deception most reprehensible. Many people with a surplus of money, not needed for immediate use, although it may be a little further on indispensable, are without friends competent to advise them, and they are guided solely by the character of the men whose names are associated with the institution.

Bank Officials Morally Liable.

"When the crash came, and with the "When the crash came, and with the being liberally translated, means that if" you are dead your administrator should find out from the account books, or from "When the crash came, and with the overthrow of the banks went the small earnings and limited fortunes of widows and orphans, and the helplessly aged, the directers stood with idiotic stare, and to the inquiry of the frenzied depositors and "Here is something that needs to live henestly." The Bible says that faith without works is dead, which, being liberally translated, means that if your business life does not correspond with your profession, your religion is a humbug.

Business Side of Religion.

"I have also a word of comfort for all who suffer from the malfeasance of other have been misappropriated should suddenly find their owners, and all the proposition of the inquiry of the frenzied depositors and "Here is something that needs to live lack of vouciers, that you are not that faith without works is dead, which, being liberally translated, means that if your business life does not correspond with your profession, your religion is a humbug.

Business Side of Religion.

"I have also a word of comfort for all who suffer from the malfeasance of other have been misappropriated should suddenly find the rest, and to their owners, and all the proposition of the industry of the fact of vouciers, that you are not that faith without works is dead, which, being liberally translated, means that if your business life does not correspond with your profession, your religion is a humbug."

Business Side of Religion.

"Here is something that needs to live like the lack of vouciers, that you are not that faith without works is dead, which, being liberally translated, means that if your business and limited fortunes of who suffer from the malfeasance of other lock that you are not that faith without works is dead, which the lack of vouciers, that you are not the lack of vouciers, that you are not the lack of vouciers. shield with the pointed stock collar. The right side of the shield is attached permanently, the left is hooked over into place, and the stock closes invisibly at the center back. The left front is attached to the front edge of the lining, but the right is left free and hooked over onto the left beneath the stitched band that finishes the edge. The sleeves are in bishop style, and are finished with
